Reagan Library Topic Guide – POW/MIA

Reagan Library topic guides are created by the Library staff from textual material currently available for research use. Material cited in the topic guides come from these collections:

White House Staff and Office Collections
White House Office of Records Management (WHORM) Subject Files
White House Office of Records Management (WHORM) Alphabetical Files.

An overview of the entire Reagan Presidential Collection is available in the Guide to Holdings.

The folders and case files listed on these topic guides may still have withdrawn material due to Freedom of Information Act (FOIA) restrictions. Most frequently withdrawn material includes national security classified material, personal privacy issues, protection of the President, etc.
